That's Me in the CD Player, Mom!

A little Canadian company has a smart gift-giving idea for the child who has everything: a personalized music CD. Name Your Tune is a made-to-order kids' music compilation, personalized to each child, and surprisingly affordable.

Your child's name will be sung throughout such classics as "Wheels on the Bus" and "Head & Shoulders" by a cast of Canadian performers, including Juno Award-nominated Lenny Graf, Paul Humphrey and Tracey Erin Smith. For information and prices, contact Candace Alper and Name Your Tune at nameyourtune@sympatico.ca or call (905) 709-0793.
